

July 29, 2018

Dear Students and Parents,

We are excited to announce DNOW 2018 at Caswell, September 28-30. DNOW is short for "discipleship now" a nationally known student ministry initiative to bring students in the community together for a weekend of focused discipleship and worship. In our area, churches gather at Fort Caswell on one two weekend in late September.

Details:

Fort Caswell is located at the eastern tip of Oak Island. This is a beautiful facility and you can find out more information about it at www.fortcaswell.com.

The total cost of the trip this year is \$150. We are going up early and staying Friday night. The cost covers lodging, t-shirts, meals, and some administrative costs. You will be responsible for TWO travel meals and the rest is covered by Impact and Caswell (Friday's dinner and lunch Sunday). Students are encouraged to bring extra money for an offering they collect for a mission opportunity. The Oasis adult team will travel with us and take 4 adult chaperones spaces for this trip. That leaves 21 spaces available to students. WE WILL RUN OUT and cannot get any more.

* If you cannot go early with us Friday, due to a school sporting commitment, there will be a late vehicle coming down Friday night. Just let us know.

How do I sign up?

Go online to www.impactwilmington.com to the Oasis page and you can register there and pay online. Only paying the deposit (\$100 non-refundable) will reserve your spot.

This is a great chance for our students to be challenged spiritually and for strong friendships to be formed. We are really excited about this year's DNOW and hope you are too. As always if you have any further questions please feel free to call me or e-mail me.

In Christ,

Oasis Team
Impact Church
