

Lookout Mtn., GA | July 15-19, 2019

There are few experiences like camp at **Covenant College** atop Lookout Mountain, GA. It is said that seven states are visible from Lookout Mountain, and you can clearly see the city of Chattanooga below. On any given morning in the summer you could wake up and actually be above the clouds. The campus environment helps students (and adults) fully focus on God and His Word. Covenant College provides an experience like no other college campus.

Our group will participate in the CONNECT option at GENERATE. The focus is on community building within your group. It's all about unity through team building, problem-solving and celebrating victories together. Each day at CONNECT, your students will have several themed activities to do on the CONNECT field with their village (Bible study small group). After Kickstart in the morning, your students will either go straight to the CONNECT field for activities, or to their Village Bible study. Then they will break for lunch, and in the afternoon they will do the opposite of what they did in the morning. The beauty of CONNECT is, although GENERATE staff will be there to facilitate the CONNECT activities, your adults will be with your students all day, making memories to last a lifetime.

Hey parents. Here is a page with a video just for you, to learn all about camp.
